The school supervisor will introduce him/herself to the visiting coach and the referees and will assist in the supervision of the game both on and off the field of play before, during, and after the game.

- B. State Championship Tournament games and all other playoff games will consist of two forty (40) minute halves. If in any game the score is tied at the end of regulation time, a ten (10) minute overtime period will follow. All overtime periods will be sudden death. If, after two (2) overtime periods the score is still tied, the winner will be determined by a penalty kick tie-breaker as follows:
 - 1. A coin toss shall take place. The winner of the toss shall receive a choice of:
 - a. Goal used or kicking first or second.
 - b. The loser of the toss has the remaining choice.
 - 2. A coin toss will determine the first team to kick. Each team shall take an initial series of five (5) kicks alternately. The team, which scores the greater number of goals, shall be declared the winner. The kicks shall end at the point where the winner has been determined.
 - 3. If after each team has taken the five (5) kicks the score is still tied, kicks shall continue alternately in the same order until a team has one (1) more goal in the same number of kicks.
 - 4. Each kick must be taken by a different player until eleven (11) kicks have been taken by each team. If the number of kicks goes beyond eleven (11), the initial order of kicking shall be repeated.
 - 5. Only players who have played in the game will be eligible to kick tie-breaking penalties.
 - 6. The non-participating goalkeeper must stand on the field of play at one corner of the penalty area. All eligible players except the kicker and the designated goalkeeper must remain in the center circle.
 - 7. One official shall record the kicking order and one official shall administer the taking of the kicks.
- C. In the final game of the State Championships, if after two (2) overtime periods, the score is tied, the penalty kick procedure will take effect.
- D. A team must possess a 40% win/loss record to become eligible for participation in playoffs. If there are not enough teams to complete a playoff bracket, teams with a lower win/loss record may be included

- B. State Championship Tournament games and all other games will consist of two (2) forty (40) minute halves.
 - 1. Extra Periods

 - f. The shootout will end after five kicks, or fewer if one team builds an insurmountable lead, with the team scoring the most goals declared the winner.
 - 3. Additional Penalty Kicks
 - a. If the score is still tied after five shots per team, a second shootout phase will begin in which each set of kicks -- one by each team -- is treated individually (similar to extra innings in baseball).
 - b. Each kick must be taken by a different player. If the shootout continues past eleven (11) kicks per team, the original order shall be repeated.
 - c. The team that leads after any completed “extra” set will be declared the winner.
- C. A team must possess a 40% win/loss record to become eligible for participation in playoffs. If there are not enough teams to complete a playoff bracket, teams with a lower win/loss record may be included
