

ARTICLE 2
THE PRINCIPAL

Section 1. MEMBERSHIP

The Principal of each school of the RIIL must be a member in good standing of the RIASP at the time of filing the Declaration of Intent to compete on April 1st. The Declaration of Intent to compete of any school whose Principal is not a member of the RIASP will not be accepted and hence; no schedule will be given that school for the following year of competition in the RIIL.

Section 2. PLEDGE OF ACCEPTANCE OF RULES

Each Principal, at the time of filing the Declaration of Intent to Compete, must pledge, in writing, that s/he accepts the Rules and Regulations of the RIIL and pledges his/her school and its participants to said Rules and Regulations.

- A. New Principals of schools who wish to continue voluntary membership or who wish to voluntarily join the RIIL must, within 30 calendar days of assuming office, join the RIASP and sign a pledge acceptance of the Rules and Regulations of the RIIL.
- B. The member school has a responsibility to educate student-athletes, coaches, and other appropriate persons on Rhode Island Interscholastic League Rules and Regulation that could affect them. Further, the member school should monitor its compliance with the Rhode Island Interscholastic League Rules and Regulations.
- C. **Restitution Rule** – Any member school (or school board acting on behalf of a member school) which institutes an unsuccessful court suit challenging a rule, rules or decision of the League, either prior to or after having first exhausted the internal appeal procedures of the League, shall be assessed the full costs resulting from such litigation, including, but not limited to, court costs, counsel and actual expenses incurred by the League. Any member school that does not make full payment of such costs within sixty days of the assessment shall be prohibited from playoff participation in all sports. The restriction shall continue until the full amount plus interest at the statutory rate is paid.
- D. Mandatory Meeting (beginning in fall 2010) – RIIL member school principal(s) must attend one (1) mandatory meeting held annually in the fall. A fifty (\$50.00) fine will be assessed for not attending.**

Section 3. RESPONSIBILITIES FOR INTERSCHOLASTIC ATHLETICS

Each Principal is responsible to the Committee in all matters pertaining to interscholastic sports, including the eligibility of students. S/he may delegate authority only to regular members of his/her staff, but this does not relieve the Principal of ultimate responsibility. No interscholastic games may be scheduled or performed without the approval of the Principal.

- A. Proof of and maintenance of eligibility (See Article 3) is the exclusive and continuing obligation of the member Principal.
 - 1. In investigating any complaint, or in the review of any request, or in the conduct of any hearing, the burden is specifically placed on the member Principal to make certain that the individual student(s) involved be notified and given an explanation of the rules, of the hearing procedure, and of their right and opportunity to attend all hearings.
 - 2. Proof of eligibility is the affirmative burden of the member Principal. The Principal has the obligation to come forward with all evidence and testimony necessary for the establishment or maintenance of eligibility.
 - 3. Notice of the Committee's decision will be given in writing to the Principal, who will in turn forward copies to the individual(s) involved. At that time, the Principal will explain the decision along with the rights and obligations as set forth in the Rules and Regulations.
 - 4. The obligation of notification, presentation, and explanation as set forth in this article apply to all eligibility issues and apply equally to dealings with the Executive Director as well as the Committee.
- B. The Principal or his/her authorized representative shall accompany the school team to all athletic contests. The authorized representative may be either a faculty member or administrator, but in no case a student.
 - 1. Playoff Finals Attendance

If a school is involved in a Rhode Island Interscholastic League playoff “Final(s)”, the Principal and or his/her designee must be present. The Principal and or designee must introduce themselves to the game supervisor(s) and game officials prior to the game(s). The Principal and/or designee will be responsible for monitoring the schools’ students and teams.

C. The home team is to be held responsible for conditions involving spectators and shall always have present an authorized representative of the school to take this responsibility.

1. The home team shall provide an adult game supervisor at home ***hockey***, basketball, field hockey, football, soccer, volleyball and wrestling contests. The supervisor shall not be a student nor a coach involved with the game. The supervisor shall identify himself or herself to the game officials thirty (30) minutes prior to the start of the game. The supervisor shall be responsible for game administration ***and crowd control. They should notify police, and rink representatives to seek appropriate assistance. In the event of a problem, he/she must notify the RIIL office the next day and submit a written report detailing the incident(s).***

NOTE: Due to the fact that hockey games are played off-campus, and the availability of school personnel to supervise is limited, the Committee recommends that schools assign supervision to games that involve rival teams or to games which may present fan issues.

2. Schools, through assemblies, bulletins, or other means by which they are accustomed to influence student opinion, should strive to bring about good sportsmanship on the part of the spectators. Principals should impress upon coaches the responsibility and influence that their remarks, actions, and attitude have on their players and the spectators. There should be a sharp line between enthusiastic partisanship and riotous conduct. Unusual noisemakers, unorthodox cheers, and all such disturbing influences should be discouraged on the part of school directors. (See Article 12 – Sportsmanship).
3. Where necessary, police protection should be present, and no hesitation exercised in ejecting from any school game any spectator, or group of spectators, whose conduct cannot be controlled by a warning, and whose further presence is prejudicial to the interest and/or outcome of the game.
4. The Committee guarantees cooperation (to all Principals of the high schools of our State) in the arrest and prosecution of any spectator(s) who commit any assault or crime at any of the games which come under the jurisdiction of the RIIL.
