The Raise 365 App is truly a game changer!!

- 1. All sales are done and tracked individually using the app
- 2. Sales are made via text, email, social media and in person using custom QR codes
- 3. Athletes expectations are to gather 20+ adult cell phone contacts.
- 4. Athletes first text all 20 contacts, then enter them into the reminder system and lastly share with parents and ask to share with more people and post on social media.
It is literally as easy as that.
- 5. Once contacts are entered into the reminder system they are stored in athletes app until they are no longer a member of the program. Making future years that much easier.
- 6. Coaches and boosters can message athletes directly through the app.

COACH SUPPORT EMAIL: support@maxpreps.com

RIIL STATE REP: Gerry Valerio - gvalerio@maxpreps.com

- 1. What RIIL initiatives will MaxPreps data power?** MaxPreps is the Official Partner for Sports Statistics to the RIIL. All information entered into MaxPreps can be sent to the RIIL to manage stat leaderboards and much more. In order to manage these initiatives, all RIIL member schools are strongly recommended to enter their team statistics after each game.
- 2. Where do I enter my schedule, score and roster?** Each member school will continue to enter their schedule, scores and roster into the RIIL administrative platform, and that data will be sent to MaxPreps to be displayed on your team pages. Each member school will then be responsible for updating their stats on MaxPreps after each game throughout the season.
- 3. What do Athletic Directors need to do?** Since RIIL member schools need to keep accurate stats on MaxPreps, the AD needs to ensure each team coaching staff has access to enter stats. ADs or any coaches currently not using MaxPreps should contact MaxPreps at 800-329-7324 x1 or support@maxpreps.com to sign up or get access.
- 4. Which sports are included in the partnership?** MaxPreps provides a complete stats platform for nearly all the sports the RIIL offers.
- 5. How do I sign up to get access to my administrative account on MaxPreps for the first time?** Athletic Directors/Coaches can follow [this link on MaxPreps](#) to become a free MaxPreps member and follow the prompts to gain access to your team. Make sure to select "Head Coach or Athletic Director" as your role for the team.
- 6. Can Athletic Directors control their MaxPreps team pages?** Yes! Athletic Directors can control every single team from their free School Administration page on MaxPreps.
- 7. Can coaches allow a team statistician or assistant coach to help manage their team information?** Yes! Once the coach has access to their team admin page, they can give other individuals access to their page to help keep their team information accurate.
- 8. Is MaxPreps compatible with other stat programs?** In addition to MaxPreps own mobile, tablet, and desktop tools, MaxPreps is compatible with over 80 different stat companies across multiple sports. [Click here to view MaxPreps stat partners.](#)
- 9. Does MaxPreps have an app to manage team information?** Yes! Our MaxPreps app is available to download for both iPhone and Android devices at maxpreps.com/apps. ADs and Coaches can update complete schedules, rosters, scores and stats, and also sync their game schedule to their phone's calendar, and more.
- 10. Who can I contact with additional questions?** ADs and coaches may contact RIIL MaxPreps representative Gerry Valerio at gvalerio@maxpreps.com.

Coaching Students in the Off Season During the Academic Year			
The RIIL is committed to the philosophy of encouraging students to participate in multiple high school sports throughout the academic year. Purpose:			
<ul style="list-style-type: none">• To allow students to seek informal and individualized extra help from high school coaches in the same way teachers may provide extra help for a student academically.• To define allowable out of season individual instruction during the academic year between coaches and students that is consistent with the philosophy of encouraging multi-sport participation on high school teams.• The letter and spirit of these rules are not intended to create an incentive for students to opt out of other high school sports to specialize in a single sport.• Coaches are prohibited from coaching current and/or prospective students enrolled in their school on non-school teams or any other sport specific coaching activity during the academic year outside of their assigned sport season unless otherwise specified below.• These are minimum standards and the RIIL will support schools that choose to institute a higher standard.			
Coaches			
<ul style="list-style-type: none">• May only participate voluntarily and without financial gain or compensation.• May participate in informal and individualized instruction with no more than three (3) high school students at any one time or in any one facility.• May participate in informal and individualized instruction with any one (1) student for a maximum of three (3) hours per week. Regularly scheduled instruction is not within the spirit of these rules.• Informal and individualized instruction is open to all students enrolled in the school and eligible to participate by all RIIL eligibility rules and regulations.• All informal and individualized instruction must be sanctioned and approved in advance by the school
