An athletic trainer is a key component in any strategy to minimize injury risk and optimize safety for all participants.

Section 3. RESPONSIBILITIES FOR INTERSCHOLASTIC ATHLETICS

A. Each Principal is responsible to the PCOA in all matters pertaining to interscholastic sports, including the eligibility of students. S/he may delegate authority only to regular members of his/her staff, but this does not relieve the Principal of ultimate responsibility. No interscholastic games may be scheduled or performed without the approval of the Principal.

B. Proof of and maintenance of eligibility (See Article 3) is the exclusive and continuing obligation of the member Principal.

1. In investigating any complaint, or in the review of any request, or in the conduct of any hearing, the burden is specifically placed on the member Principal to make certain that the individual student(s) involved be notified and given an explanation of the rules, of the hearing procedure, and of their right and opportunity to attend all hearings.
2. Proof of eligibility is the affirmative burden of the member Principal. The Principal has the obligation to come forward with all evidence and testimony necessary for the establishment or maintenance of eligibility.
3. Notice of the Middle School Sub-Committee's decision will be given in writing to the Principal, who will in turn forward copies to the individual(s) involved. At that time, the Principal will explain the decision along with the rights and obligations as set forth in the Rules and Regulations.
4. The obligation of notification, presentation, and explanation as set forth in this article applies to all eligibility issues and applies equally to dealings with the Executive Director as well as the Middle School Sub-Committee.
5. Schools are responsible for the health, welfare and safety of all athletes' home, away and tournament games.

C. The Principal or his/her authorized representative shall accompany the school team to all athletic contests. The authorized representative may be either a faculty member or administrator, but in no case a student.

The Principal and/or designee will be responsible for monitoring the schools' students and teams.

D. The home team is to be held responsible for conditions involving spectators and shall always have present an authorized representative of the school to take this responsibility.

1. The home team should provide an adult game supervisor at all home events. In particular, an adult game supervisor must be present at basketball, baseball, softball, soccer, and wrestling contests. The supervisor shall not be a student, nor a coach

RHODE ISLAND INTERSCHOLASTIC LEAGUE MIDDLE SCHOOL 6-8

involved with the game. The supervisor shall identify himself or herself to the game officials thirty (30) minutes prior to the start of the game. In the event of a problem, he/she must notify the RIIL office the next day and submit a written report detailing the incident(s).

2. Schools, through assemblies, bulletins, or other means by which they are accustomed to influencing student opinion, should strive to bring about good sportsmanship on the part of the spectators. Principals should impress upon coaches the responsibility and influence that their remarks, actions, and attitude have on their players and the spectators. There should be a sharp line between enthusiastic partisanship and riotous conduct. Unusual noisemakers, unorthodox cheers, and all such disturbing influences should be discouraged on the part of school directors. (See Article 12 – Sportsmanship).
3. Where necessary, police protection should be present, and no hesitation exercised in ejecting from any school game any spectator, or group of spectators, whose conduct cannot be controlled by a warning, and whose further presence is prejudicial to the interest and/or outcome of the game.
4. The PCOA guarantees cooperation (to all Principals of the middle schools of our State) in the arrest and prosecution of any spectator(s) who commit any assault or crime at any of the games which come under the jurisdiction of the RIIL.

A student who is not passing 60% of his/her program (credits) is ineligible to participate in games (league and non-league) until the end of the quarter or trimesters of the next marking period. This is a minimum standard for academic eligibility. Schools may choose to initiate a higher standard for academic eligibility. In this instance, the higher standard (school policy) will be supported by the RIIL.
- B. In case a student fails to complete the minimum scholastic requirements for athletic eligibility at the end of a quarter due to unavoidable absence, the student shall be ineligible for the next quarter until these requirements of the preceding quarter are made-up.

Section 6. RECRUITMENT OF STUDENT-ATHLETES BY PRIVATE, PAROCHIAL AND PUBLIC SCHOOLS

To maintain the educational standards and dignity of our academic and athletic program, all members of the RIIL Middle School 6-8 must refrain from any practices such as recruitment, enticements, and inducements or other pressure which would encourage students substantially for athletic purposes to leave, enter, or not to enter schools within their normal district, as defined by the Rhode Island Department of Education, or schools in which they have enrolled or have indicated in writing the intent to enroll. In order to ensure that the above prohibitions of the RIIL Middle School 6-8 are carried out, the PCOA has adopted the following regulations: (Note: This also applies to students below grade 9 6 who are contemplating enrolling in a RIIL member school, public, private or parochial).

POLICY ON RECRUITING

A. GENERAL PRINCIPLES

1. Recruiting is the use of undue influence and/or special inducement by anyone associated with a school in an attempt to encourage a prospective student to attend or remain at that school for the purpose of participating in interscholastic athletics.
2. Recruitment of students or attempted recruitment of students for athletic purposes, regardless of their residence, is a gross violation of the by-laws of the RIIL Middle School 6-8 and is expressly forbidden.
3. Member schools are responsible for any violation committed by any person who is under the direct or indirect supervision and control of the principal. Member schools are also responsible for any violation committed by a person acting at the direction of any person under the direct supervision or control of the principal.

B. UNDUE INFLUENCE

1. Undue Influence is the use of direct or indirect communication by anyone associated with a school with a prospective student in an attempt to solicit or encourage the enrollment of a prospective student in that school for the purpose of participating in interscholastic athletics.
2. Undue influence includes, but is not limited to:
3. Initiating or arranging telephone, telegram or other written contact such as questionnaires, cards or letters, with a prospective student-athlete or member of his/her family for the purpose of soliciting or encouraging the enrollment of the student in a school.
4. Visiting or entertaining a prospective student-athlete or member of his/her family for the purpose and intent of soliciting or encouraging the enrollment of the student in a school.
5. Providing transportation to a prospective student-athlete or member of his/her family for the purpose and intent of soliciting or encouraging the enrollment of the student in that school.

8. Any other contact with a prospective student-athlete or member of his/her family for the purpose and intent of soliciting or encouraging the enrollment of the student in a school for the purpose of participating in interscholastic athletics.

RHODE ISLAND INTERSCHOLASTIC LEAGUE MIDDLE SCHOOL 6-8

9. No member school and no one acting on behalf of any member school may give a speech or give any slide, film or tape presentation or distribute any written material, including advertisements in newspapers, magazines or other publications, which states or implies that a member school's athletic program is better than the athletic program of any other member school or that it would be more advantageous for any prospective student-athlete to participate in athletics at that member school as opposed to any other school.
10. When a student at a junior high, middle school or other high school, or the parent(s) or guardian(s) of that student contacts a coach about attending the coach's school, the coach must immediately refer the student, parent(s) or guardian(s) to the principal or other associate school personnel, who have the responsibility of seeking and processing prospective students.

C. SPECIAL INDUCEMENT

1. of any privilege not afforded to non-athletes.
2. Offer or acceptance of free or reduced rent for parent(s) or guardian(s).

4. Offer or acceptance of employment of parent(s) or guardian(s) in order to entice the family to move to a certain community if any person associated with the school makes an offer.

D. ACADEMIC RECRUITMENT PROGRAMS

1. This policy is not intended to prevent a member school from conducting academic recruitment programs or recruitment programs designed to attract students based upon the school's overall educational and extracurricular programs. However, such recruitment programs must be designed to present the overall educational and extracurricular programs of the school and not be used as a subterfuge for recruiting students for athletic purposes. Such general recruitment programs permissible under this article must be carried out under the following guidelines:
2. With the permission of the principal, member schools may present speeches, films, tapes or other similar programs to students in elementary, junior high or middle schools with grades below the ninth grade from which the member school can normally expect enrollment.
3. Member schools may present speeches, slides, film, tape or other similar programs to students at elementary, junior high or middle schools with grades below the ninth grade from which the member school can normally expect enrollment so long as said speeches, slides, films, tapes or other presentations are designed to attract students to attend the member school and are based upon the overall educational programs and not presented solely for the purpose of recruiting prospective athletes.
4. Coaches or any member of a school's athletic staff cannot conduct recruiting programs of any kind for the purpose of participating in interscholastic athletics.
5. Schools may site accomplishments, both academic to athletic, as long as it does not imply that the school's athletic program is better than any other school's athletic program or that it would be more advantageous for a prospective student-athlete if s/he participated at that member school. A student-athlete may not receive or be offered any remuneration of any kind or receive or be offered any special inducement of any kind, which is not made available to all students who enroll in or apply to a school.
6. Special inducements include, but are not limited to:

Article 6: PENALTIES

Section 1. ADHERENCE TO RULES

- A. No member school shall be relieved of its obligations to adhere to the Rules and Regulations of the RIIL Middle School 6-8 except by a formal vote of the PCOA. The decision of the PCOA shall be final and in case a school refuses to abide by such a decision or withdraws from the jurisdiction of the PCOA before a decision has been reached, all other member schools shall sever athletic relations with such a school, canceling all contests already scheduled and refusing to schedule others. Competition with the offending school may be resumed only when the PCOA has again admitted the school to its jurisdiction.
- B. This rule shall not be interpreted to mean that isolated cases of infractions of the RIIL Middle School 6-8 Rules and Regulations shall be made a reason for canceling games or severing athletic relations. Such cases of infraction shall be reported to the PCOA. Cancellation or severance of relations shall take place under this rule only when a school through its Principal has definitely declared that it is no longer its purpose or policy to abide by the Rules and Regulations or when the PCOA has formally voted that the school in question is no longer adhering to the Rules and Regulations and that severance of athletic relations is therefore required.
- C. If in the judgment of the PCOA a school is in serious violation of a Rule as published in this manual, such school may be placed on probation for a period of one to three years. If at the end of the probationary period, the infraction has not been rectified, the school may be excluded from participation in the RIIL Middle School 6-8 at the discretion of the PCOA whose decision in all these cases shall be final.

If the player has senior eligibility, he/she shall be ineligible for the first two (2) RIIL Middle School 6-8 League contests of the next sport in which the player participates. In addition, any player put out of the last contest of a sport season must show cause why he/she should not be put on probation in the same sport the following year, or such a player has senior eligibility, why he/she should not be put on probation for the next sport season in which such player participates.

 - 3. Whenever a coach/player is ejected from an athletic contest and must remain out of (be disqualified from) the next RIIL Middle School 6-8 League contest(s) of that sport; such ejection prevents a coach/player from being present at the site of said contest(s).
 - 4. In addition, the athlete must fill out the Unsportsmanlike Conduct Questionnaire and **complete the NFHS free online course “Sportsmanship” at www.nfhslearn.com before re-establishing eligibility, which must be faxed/and mailed to the RIIL office prior to his/her reinstatement.**

An additional period of disqualification may also be imposed.**

RHODE ISLAND INTERSCHOLASTIC LEAGUE MIDDLE SCHOOL 6-8

Section 11. SCHOOL WITHDRAWAL

- A. In the event that a school withdraws from any sport the PCOA may exclude said school for a period of two years or multiple thereof from that sport. Upon return to the RIIL Middle School 6-8 in that sport, the team will be ineligible for post season play in the first season that they return.

- B. Payment of all fines must be received by the RIIL Office prior to the start of the next sports season.

Section 13. USE OF SCHOOL EQUIPMENT DURING THE SUMMER

- A. The RIIL cautions against School Districts and Principals allowing school equipment to be used or loaned out for use during the summer months to students from their schools. The use or loaning of equipment to students during the summer or other out-of-season periods opens the schools, their administrators, and coaches to serious liability risks in the event that the student borrowing the equipment or others who might use it are injured while using the equipment. Coaches shall obtain written permission from the Principal and/or Superintendent prior to allowing use of school equipment during the summer. School Districts must ensure the use of school equipment is covered by the District's insurance policy. In the event that the equipment is used or loaned to students in violation of this League policy, may be the very reason a court could find a school negligent and award substantial damages in a negligent liability suit. The insurance policies of most schools do not normally provide coverage for the use of equipment during the summer months. Such use could well weaken the equipment and, when used for school activities during the school year, the weakened state could result in serious injuries to players and be the subject of a suit. In addition, the League's legal counsel maintains that the loaning of equipment that is owned by a member school without permission of the school's governing body could well be a violation of several criminal statutes that restrict use of publicly-owned equipment for private use. Administrators should make certain that no school equipment is loaned out for summer use without written approval. The above applies to all member schools.

Section 14. MANDATORY GAME SCORE REPORTS AND COACHES REGISTRATION

- A. Game Score Reports: All RIIL Middle School 6-8 league contest scores are to be reported on-line on the RIIL Website. Coaches obtain access to the system through their Athletic Director.

RHODE ISLAND INTERSCHOLASTIC LEAGUE MIDDLE SCHOOL 6-8

 3. **Penalty:** Failure to report scores will result in a twenty-dollar (\$20.00) fine for each contest not reported. Schools will be billed at the end of the season.
- B. Coaches Registry: All RIIL Middle School 6-8 Member Schools are to register all certified coaches who represent their schools in all sports and levels (Varsity, Junior Varsity, Freshman, Volunteers) online through the RIIL Website.
1. All coaches must be certified as coaches per Rhode Island State law and the RIIL Middle School 6-8.

Section 15. CONSEQUENCES FOR COACHES WHO CRITICIZE GAME OFFICIAL(S) IN A PUBLIC FORUM

- A. Any coach who criticizes a game official(s) in a public forum over the course of his/her career will be subject to the following:
- a. **First Offense** – One game disqualification and the school be fined \$100.
 - b. **Second Offense** – Two (game disqualifications and the school be fined \$150.
 - c. **Third Offense** – Disqualification for the remainder of the season * and the school be fined \$250.
 - i. The coach will be disqualified for a minimum of five (5) games. If the season ends prior to completing the five (5) game disqualification the remaining days will carry over to the next season.
 - d. Each confirmed incident will be evaluated on a case-by-case basis by RIIL staff and appropriate action invoked. Additionally, the school administration will be required to file a report with the RIIL delineating the steps the schools and athletic administration have taken to address this issue to assure no reoccurrence.
- B. When a coach is disqualified for such actions the following disqualification rules shall apply:
1. The coach will be disqualified from the next league contest and any non-league games in between.
 2. Coaches cannot be in attendance at the game(s) for which they are serving their suspension and may not participate in any pre-game warm-up activities at the site.
 3. Disqualifications from the last contest of one season carry over to the next season in that sport for coaches.
 4. The school's first incident of non-compliance, for reasons other than defiance of the disqualification rules, will result in forfeiture, a \$250 fine and the coach must serve the disqualification penalty; a school's second incident of non-compliance will prohibit the school from entry in the next RIIL Middle School 6-8 tournament for that sport, or from the remainder of the current tournament if the disqualification occurs during an RIIL Middle School 6-8 tournament or during the last regular season contest / day of competition. However, when a school willfully defies this regulation the school and/or coach will be subject to further action by the RIIL Principals' Committee on Athletics.

RHODE ISLAND INTERSCHOLASTIC LEAGUE MIDDLE SCHOOL 6-8

- F. Member schools may not mandate that their students participate for a specific non-school athletic program.
- G. Member schools who identify a non-school athletic program as part of their school athletic program will be asked to withdraw from the RIIL Middle School 6-8 in all sports.
- H. In matters relating to Non-school Athletic Programs the RIIL has the authority to request from member schools documentation to assure compliance with all RIIL Middle School 6-8 Rules.

Article 7: LIMITATION OF SEASONS

Section 1. RATIONALE FOR THE LIMITATION OF SEASONS

- A. Since the school by virtue of the regulations of the PCOA have some control over what students do out of school after school hours, it would seem important that school authorities be aware of the kinds of organized competitive athletics their students participate in on their own. Various leagues are sponsored by a wide variety of community groups. If the same consideration for the health, safety, and education of the young people is not followed by these community sponsors, the health and safety of students might be impaired. The school's interest and concern with this problem should be made known and appropriate guidance given to the community sponsoring groups.
- B. No student below Grade 6 will be allowed to practice or play with any middle school team.

Section 2. DEFINITION OF A GAME

- A. A game is any competition between two or more schools, i.e. RIIL Middle School 6-8 League or non-league RIIL Middle School 6-8 games exclusive of scrimmages, which meets any of the following conditions:
 - 1. Teams wearing game uniforms.
 - 2. Score is kept.
 - 3. Time is kept.
 - 4. Results of the contest are reported.
 - 5. The game is structured to meet the game requirements of NFHS rules.
- B. A scrimmage shall be defined as a controlled practice among any number of schools that is supervised by coaches which does not meet any requirements for a game.
 - 1. Officials may be present for safety purposes.
 - 2. Teams may not wear game uniforms.
 - 3. Activity between teams must be broken into controlled practice segments for coaching and instruction purposes only.
 - 4. Structuring a scrimmage in such a way as to resemble or replicate a game without game uniforms will be considered a game and additional penalties may be imposed on the school.

Section 3. HEAT ACCLIMATIZATION RULES

- A. Intent: To provide acclimatization rules for student-athletes with the purpose of minimizing injury and enhancing the player's health, performance, and well-being.
- B. Core Principals:
 - 1. Acclimatization Period: The first six days of RIIL Middle School 6-8 approved practice will consist of no more than two (2) hours of practice time.
 - 2. Recommend using shaded areas during rest breaks.
 - 3. Recommend cold water immersion tubs on site for warm weather activities.
- C. Scrimmages/Games:
 - 1. A team shall not be permitted to participate in a scrimmage until they have completed five (5) days of practice for all sports.
 - 2. Number of practices (prior to the first game) is ten (10). The first 5 days – no scrimmages; during the next 5 days scrimmages would be allowed. Games (in accordance with our rules) may begin on the 11th day of practice.

RHODE ISLAND INTERSCHOLASTIC LEAGUE MIDDLE SCHOOL 6-8

D. Definitions:

1. Practice – the time a player engages in physical activity. It is recommended that any practice session be no greater than two (2) hours in length. Warm-up-stretching, conditioning, weight training and ‘cool-down’ periods are all considered practice.
2. Chalk talk and film review are not considered practice time.
3. Note: Practice sessions may be divided while adhering to the time restrictions as described above.
4. Example: 2 Hour Day: one 2-hour practice or two 1 ½ hour practices

E. By the start of fall sports practice in 2025, an instrument scientifically approved to measure Wet Bulb Globe Thermometer (WBGT) must be utilized at each practice if the WBGT is within 5-10 F of green flag conditions (76.1 F). WBGT readings should be taken on the practice site a minimum of every 30 minutes, beginning 30 minutes before the beginning of practice.

F. Although use of a WBGT is preferred as a best practice for use prior to the start of fall sports practice in 2025, if a WBGT is not available, the heat index for the approximate location of activity may be determined by entering the postal zip code at <http://www.osaa.org/heatindex/>

1. Rhode Island falls under Category 1 (Cat 1) based on its geographical location.

G. HYDRATION TIPS AND FLUID GUIDELINES

1. In general, athletes do not voluntarily drink sufficient water to prevent dehydration during physical activity.
2. Drink early, by the time you are thirsty, you are already dehydrated.
3. Drink before, during, and after practices and games. Specifically, the American College of Sports Medicine recommends the following:
4. Drink 16 ounces of fluid 2 hours before exercise.
5. Drink another 8 to 16 ounces 15 minutes before exercise.
6. During exercise, drink 4 to 16 ounces of fluid every 15 to 20 minutes.
7. The NFHS SMAC strongly recommends that coaches, certified athletic trainers, physicians, and other school personnel working with athletes not provide or encourage use of any beverages for hydration of these youngsters other than water and appropriate sports drinks. They should also make information on the potential harm and lack of benefit associated with many of these other beverages available to parents and athletes.

Section 4. NON-LEAGUE GAMES

- A. Schools are required to submit and list all (League and Non-League) on the RIIL Middle School 6-8 online team schedule at www.riil.org. This includes any out of state games that have been approved and sanctioned by the RIIL Middle School 6-8

Section 5. NON-SCHOOL COMPETITION AND LOYALTY TO SCHOOL TEAM

- A. Definition of school sports season - A school sports season shall be defined as the period beginning with the date of the school's first practice with any part of a sports squad and ending with the school's last contest, including district and state tournament contests, in that sport.
- B. Definition of Organized Non-School Competition - organized non-school competition shall be defined as any game(s) which is sponsored by an individual or organization and for which any of the following have been prearranged: coach, official(s), scorer, or team membership.
- C. A member of a school team is defined as a student-athlete who is listed on an Eligibility List who is regularly present for and/or actively participates in all team practices and competitions.
 1. Bonafide members of a school team are prevented from missing a practice or competition to compete with an “out-of-school” team.

RHODE ISLAND INTERSCHOLASTIC LEAGUE MIDDLE SCHOOL 6-8

2. If a conflict arises between the middle school team practice/competition and an out-of-school practice/competition on the same day, the middle school team practice/competition must be honored by the student-athlete. Priority/loyalty must be given at all times to the middle school team practices and contests unless a waiver has been granted by the Principal and Athletic Director on a case-by-case basis.
3. Student-athletes may be a member of and compete for “out-of-school” teams if the conditions set forth in #1, 2, and 3 above are met.

D. Penalties:

1. Any student-athlete who is in violation shall be ineligible for the next two (2) consecutive RIIL Middle School 6-8 League contests in which the student-athlete is a participant. This penalty is effective from the date of his/her last participation in a middle school sport and may carry over to the next sports season in which s/he participates.
2. Any student-athlete who is found to be in violation of the rule a second (2nd) time or subsequent time(s) shall be ineligible for participation for the rest of that sport season. A student-athlete found to be in violation of Article 7, Section 6c at the end of that sport season shall be ineligible for the first two (2) RIIL Middle School 6-8 League contests of the same sport in the following year. If the student-athlete has 8th grade eligibility, s/he shall be ineligible for the first two (2) contests of the next sport in which s/he participates. In both instances, the student-athlete may be declared ineligible for participation in all interscholastic athletics for his/her school for the remainder of the school year.

E. RIIL Policy on Captain’s Practices:

1. The term “Captain’s Practice” is commonly used to refer to the team’s captain(s) organizing and conducting, without adult supervision, out-of-season practice for that sport.
2. The RIIL does not in any way sanction, encourage, or condone “Captain’s Practice” in any sport. “Captain’s Practice”, depending on the member schools’ involvement, may be a clear violation of the rules defining season limitations.
3. Even though coaches are not present, allowing captain’s practice to be held on school grounds may constitute that the school has organized, encouraged or condoned the activity.
4. There is also a serious practical consideration. If it can be demonstrated that a school is allowing “Captain’s Practice”, the liability responsibility for an injured athlete may be quite serious.
5. We strongly recommend that member schools communicate their stance on captain’s practices to coaches, students and parents so that there is no confusion. In many cases, students and parents perceive that this type of activity is organized and administered by the school and there is an obligation for students to participate.

F. Students whose names are removed from the school’s varsity eligibility list are free to participate in outside programs but may not return to play for the school’s varsity teams. However, they may participate in the junior varsity program(s) of that sport.

G. Students who participate in outside programs as individuals not representing their school nor using school uniforms or equipment do not violate the simultaneous participation rule.

- B. Written notice of the appeal application shall be given to all parties. Decisions are not automatically stayed pending appeal. After a written notice of appeal is filed, a written request for a stay may be made. Any application for a stay of enforcement must ordinarily be made in the first instance to the Executive Director making the ruling. The request shall show the reasons for the relief requested and the facts relied upon.
- C. In extraordinary circumstances, the Executive Director may, in his exclusive discretion, decide on the request for a stay rather than refer the matter to the PCOA.

 - 1. The RIIL requires all RIIL Middle School 6-8 officials to undergo a background investigation conducted by the Bureau of Criminal Identification of the Department of the Attorney General for the State of Rhode Island. Should the BCI investigation indicate the existence of disqualifying information (a list of disqualifying information is available through each official's association), the individual shall be deemed "disqualified" for assignment in this capacity as an official. In the absence of disqualifying information (and consistent with Article 9) the individual shall be cleared for employment.

 - c. The Local and Federal BCI results will be forwarded to the Officials Assigning Board (Association) for review.

The Officials Assigning Board (Association) will then provide the RIIL Middle School 6-8 a list of all officials one week prior to the start of the season who have complied with all requirements. No new official will be authorized to officiate until cleared by the Officials Assigning Board (Association).

- B. No official shall be assigned to the game until his/her registration, fee, and the list of available dates has been received by the RIIL office.
- C. A new official shall not be assigned for any contest whether or not under the jurisdiction of this PCOA, unless such new official has had a criminal background check, had no felony convictions, and is on the approved list of officials of the RIIL. After the initial BCI requirement is met, any official convicted of a felony (a list of disqualifying information is available through each official's association) shall not be assigned for any contest.
- D. The Director of each sport has the right to negate or withdraw assignments from officials who withdraw from assignments without just and proper cause or failure to enforce the Rules and Regulations of the RIIL Middle School 6-8. The Director of each sport involved shall determine just and proper cause. An official may appeal to the Executive Director.
- E. Officials will be assigned in accordance with the terms stipulated in the agreement with the Board. Officials unable to fulfill an assignment must notify the Executive Director/Assistant Executive Director and/or Director of the Sport in a timely fashion.
- F. Assignments of all officials to RIIL and RIIL-sanctioned contests shall be made through the RIIL office.
- G. Playoffs: Assignment of officials to all RIIL Middle School 6-8 play-off games will be made by representatives of each RIIL sport committee. This committee includes the RIIL Sport Director(s) and representatives including officials (1), coaches and athletic directors.

Section 4. REPORTS FROM OFFICIALS

- A. Officials assigned to RIIL Middle School 6-8 games may be required by the Executive Director to file with the RIIL immediately after each game a report on the conditions of the contests.
 - 1. Any official who ejects a player from a game must notify the RIIL Office by phone no later than 9:00 A.M. of the following day. An official who fails to make such notification within the prescribed time may be suspended from one half the normal assignments given in that particular sport. If necessary, the suspension will extend into the next season of the same sport.
 - 2. Prior to the start of any RIIL Middle School 6-8 authorized contest at the pre-game conference, the Head coach shall notify the official (Head Official/Chief Umpire) that s/he is the only coach or identify additional certified assistant coaches of the team authorized by the school. In the event a head coach is ejected from a contest and there is no certified assistant coach who had been identified to the officials prior to the start of the game, the game will end, and the opposing team shall be awarded victory by forfeit. A coach who is ejected shall leave the vicinity [out of sight and sound] of the playing area immediately and shall not return to the playing area during the remainder of the contest. Further, the ejected coach is prohibited from any further contact (direct and/or indirect) with the team or any team member for the remainder of the contest and not until both teams have left the playing

RHODE ISLAND INTERSCHOLASTIC LEAGUE MIDDLE SCHOOL 6-8

Section 5. NOTIFICATION OF POSTPONEMENT

- A. Officials are entitled to one-half fee in the event they report to the facility ready for duty and no game is played. Schools which have made an attempt to communicate with the officials before they leave for the game, are exempt from this charge. Such notification must be made not less than two (2) hours before game time or in accordance with the Official's Association Agreement. The home schools' responsibility rests primarily in reaching the official by telephone. The postponement will also be made online. Postponed games retain the original fee regardless of date.
- B. After the official has been notified of the postponement, it is the responsibility of the official to contact the assignor if s/he cannot work the rescheduled contest date/time. The assignor will then replace the official as necessary.

Section 6. OFFICIAL FEES

- A. The fees for officials in Baseball, Basketball, Spring Track, Soccer, Softball, and Wrestling are contained in each signed agreement:

RHODE ISLAND INTERSCHOLASTIC LEAGUE MIDDLE SCHOOL 6-8

Section 7. SPORTSMANSHIP AND OFFICIALS' RESPONSIBILITY

- A. The PCOA believes that the ideals of good sportsmanship, ethical behavior, and integrity permeate our culture. The values of good citizenship and high behavioral standards apply equally to all activity disciplines. In perception and practice, good sportsmanship shall be defined as those qualities of behavior, which are characterized by generosity and genuine concern for others. Further, awareness of the impact of an individual's influence on the behavior of others is expected. Good sportsmanship is viewed by the RIIL Middle School 6-8 as a concrete measure of the understanding and commitment to fair play, ethical behavior, and integrity.

If you examine the standards of conduct required in middle school athletics compared to the major college and professional levels, you will conclude that the older the athlete is, the more immature that person is allowed to behave.

Routinely, middle school athletes will be penalized and ejected from contests for antics that are praised and emulated at higher levels. This is to the everlasting credit of those who lead, coach, officiate, participate in, and watch interscholastic athletics. It is this challenge that the contrast between educational athletics and so-called higher levels becomes even more obvious as we raise the standards of what is expected and tolerated in school sportsmanship.

The problem of decaying sportsmanship at all levels of competition is a major concern that needs to be addressed. Misconduct in athletics is a high-profile reflection of the general acceptance of disrespect in society. It is a social problem, and sports are a microcosm of that problem.

The Rhode Island Interscholastic League formed a Sportsmanship and Ethical Conduct Committee for the purpose of addressing the issue of sportsmanship and ethical conduct. The Sportsmanship and Ethical Conduct Committee, with the approval of the Principals' Committee on Athletics, developed a packet and recommended that all schools adopt and adhere to the expectations.

The Sportsmanship and Ethical Conduct Committee was particularly concerned about "taunting." The Principals' Committee on Athletics passed a recommendation of the Sportsmanship Committee to broaden the definition of "taunting" and make it a disqualifying foul in all sports. As a result, officials will be expected to eject players and bench personnel (including coaches) for taunting; and the Rhode Island Interscholastic League tournament supervisors will be expected to eject from the premises any spectator who engages in taunting.

- B. The definition of taunting is this:
1. "Any actions or comments by coaches, players, or spectators which are intended to bait, anger, embarrass, ridicule, or demean others, whether or not the deeds or words are vulgar or racist. Included is conduct that berates, needles, intimidates or threatens based on gender, ethnic origin or background, and conduct that attacks religious beliefs, size, economic status, speech, family, special needs or personal matters."
 2. Examples of taunting include:
 - a. "Trash Talk"
 - b. Physical intimidation outside the spirit of the game.
 - c. References to sexual orientation.
 - d. "In the face" confrontation by one player to another.
 - e. Standing over or straddling a tackled or fallen player.
 - f. Noticeable improvement in school sportsmanship will require concerted effort.
- C. Good sports don't need to wait for other's actions. Good sports already know what is offensive, and what has no more place in school sports than it would have in a school classroom. This is

RHODE ISLAND INTERSCHOLASTIC LEAGUE MIDDLE SCHOOL 6-8

educational athletics. We must maintain the highest education standards in all facets of the athletic arena.

- D. **OFFICIALS RESPONSIBILITY:** Officials assigned Rhode Island Interscholastic League contests **MUST** enforce the rules regarding sportsmanship without tolerance for abuse. The only warning to participants and coaches regarding sportsmanship should come at the beginning of the contest. Once the contest begins, penalties not warnings, must be assessed for unsportsmanlike conduct. The Rhode Island Interscholastic League expects that officials will eject any coach who protests an unsportsmanlike conduct call provided by the rules of the sport.
- E. Each official at a Rhode Island Interscholastic League sponsored event will be provided with a card with the following statement which **MUST** be read to the Captains and Coaches and/or teams together at **EVERY** contest prior to the beginning of the contest:
- F. “The National Federation of State High School Associations (NFHS) and your state association require officials to enforce sportsmanship rules. Middle school athletics emphasize positive values. All of us have worked hard to create a sense of teamwork, respect, responsibility and perspective. We remind you that we expect good behavior and will quickly penalize misconduct. We encourage and appreciate your help. Let this competition reflect mutual respect among all participants, coaches and officials. Coaches, please certify that your players are legally equipped and uniformed according to the NFHS rules. Good luck and have a great contest!”

Article 11: RADIO & TELEVISION BROADCAST

Section 1. PHILOSOPHY

- A. The Rhode Island Interscholastic League sponsors statewide tournaments in various locations across the state of Rhode Island. The RIIL strongly believes that these events foster opportunities for developing school and community spirit and support. The RIIL feels that media broadcasting of these activities is not absolutely essential to furthering these goals. However, the RIIL does not wish to exclude coverage of these activities from the media who feel that such broadcasts would be in the best interest of their communities and the student athletes. The terms of this agreement have been developed to provide the parameters within which interested media may broadcast an RIIL event.
- B. The Rhode Island Interscholastic League shall own the copyright of all broadcasts (live and delayed, excluding highlights – which are not longer than five (5) minutes in duration), films, videotapes, web casts, other electronic reproductions and recordings of events telecast pursuant to agreement. Section 4. NFHS NETWORK: POLICY ON STREAMING VIA SOCIAL MEDIA PLATFORMS

- A. The ability of fans or news media companies streaming events through new streaming technologies is becoming more of an issue around the country and is only going to increase. These platforms include but are not limited to Facebook Live, Instagram Live and Periscope. When fans broadcast events via social media or alternative streaming platforms the Network is adversely affected financially. The people watching the illegal stream are the fans most likely to be interested in buying a pass to watch the event and therefore the Network suffers a reduction in subscription sales. We expect credentialed news organizations to know and follow policies, but fans are a different story. We assume that the majority of fans using these streaming technologies are unaware of the rights they are infringing upon. Therefore, we have outlined a strategy for States that focuses on building awareness to protect the rights of the NFHS Network.

RHODE ISLAND INTERSCHOLASTIC LEAGUE MIDDLE SCHOOL 6-8

- B. While States have limitations in what they can enforce during an event, here are the four recommended courses of action to educate schools and fans:
1. Update media policies.
 2. Add updated rules to website.
 3. Disseminate information to participating schools, host sites and media outlets.
 4. Notify fans and attendees through in-venue messaging.
- C. **Association Media Policies**
1. States should update published media policies with language that makes schools, fans, and other media outlets aware of the rules.
 2. The NFHS Network is the exclusive broadcast rights holder of this postseason event. Any individual streaming a game is strictly prohibited and in direct violation of the RIIL's agreements with the NFHS Network. Any violation of NFHS's exclusive broadcast rights may result in disciplinary action by the RIIL or legal action by the NFHS Network.
- D. **Association Website Posting**
1. Since it is unlikely that a fan would ever read the media policy in the by-laws, States should also put messaging on the pages on their website where parents and fans would go to find the event information (i.e. event page or tournament page). This will ensure that interested parties are aware of the rules ahead of the event.
 2. *The NFHS Network is the exclusive broadcast rights holder of this postseason event. Any individual streaming a game is strictly prohibited and is in direct violation of the RIIL's contract with the NFHS Network. Any violation of the NFHS Network's exclusive rights may result in discipline by the RIIL or legal action by the NFHS Network.*
- E. **Pre-Event Communication**
1. States should notify schools ahead of time through information packets they send out to participating teams as well as host sites. This is the most effective way to ensure all participating schools are made aware of the rules. The same messaging needs to be sent to anyone who has been granted a media pass for the event.
 2. *The NFHS Network is the exclusive broadcast rights holder of this postseason event. Streaming all – or any part of – the game is strictly prohibited and in direct violation of the RIIL's contracts with the NFHS Network. Please notify your fans and parents of this policy and encourage fans who can't attend to visit NFHSnetwork.com to watch the game live.*
- F. **In-Venue Announcements**
1. PA announcements will need to be implemented during the events. Multiple times. Physical signs with similar messaging would be ideal where it is feasible.
 2. Fans are reminded that the broadcast and streaming rights of this event belong exclusively to the N-F-H-S Network. Any individual streaming of this game is strictly prohibited. To watch this game live please go to N-F-H-S-NETWORK-DOT-COM.

Section 5. MISCELLANEOUS

- A. **USE OF DRONES (UNMANNED AIRCRAFT SYSTEMS OR UAS's)**
1. Use of Drones (UAS), for any purpose, is not permitted at any RIIL state tournament event. This prohibition applies to all fields of play, courts, arena, mats, gym floor or pool, and covers a ban on the entire facility being used as part of the RIIL event, including the spectator stands and parking areas.
- B. Excluding RIIL Middle School 6-8, the RIIL will grant television and broadcasting rights to home schools subject to the following conditions:
1. Agreements should be of limited duration, no more than two years before renegotiation.

RHODE ISLAND INTERSCHOLASTIC LEAGUE MIDDLE SCHOOL 6-8

2. Only the home team will have broadcast rights, subject to the consent of the visiting team. All school participation must be voluntary. Mutual agreement of both schools must be obtained, and no school shall be coerced into participation.
3. Revenue derived from commercial televising of games should be dispersed as follows:
 - a. 75% of the fee should go to the home team.
 - b. 20% of the fee should go to the visiting team.
 - c. 5% of the fee should go to RIIL.
4. Schools must require payment from the broadcaster within 30 days of the broadcast.
5. Distribution of funds to the visiting team and the RIIL shall be made within 60 days of the broadcast.
6. All contracts shall prohibit sponsorship by non-approved sponsors, Alcoholic Beverages, Tobacco Products and Gambling Activities.
7. Broadcasters should be required to announce once an hour that “the event is broadcast with the permission of the Rhode Island Interscholastic League.”
8. Schools, however, are given permission to film or video tape their games provided that no commercial use of any kind is made of the film/videotape and provided that any showing of the film/videotape takes place in the school itself.
9. The RIIL reserves the right to negotiate a game of the week involving the RIIL games in any sport which is operated in the home gymnasium or field of the member school; provided the schools chosen have agreed before the beginning of the school year to participate in the RIIL program. The revenue received will be distributed among the schools participating in the RIIL program with the greater share going to the home school. See Article 11, Section 4.A3.

Section 6. MEDIA CREDENTIAL POLICY

- A. *The RIIL has exclusive rights to all still photographs at all RIIL Middle School 6-8 State Tournament events. Selling of any photographs (electronic or print) either at the venue or on the internet without the written consent of the RIIL is strictly prohibited.*
***Note:** Media may only post on their website for commercial purposes those photographs that have been published in their newspaper.*
- B. ***The RIIL will not issue Media Credentials the week of the event.***
- C. RIIL Media Passes are only valid at RIIL Postseason events, not events hosted by individual member schools.
 1. Individuals who request access to an athletic event hosted by a member school must directly contact the member school prior to the event for permission to enter restricted areas.
- D. School yearbook photographers or others requesting sideline access for a RIIL Championship:
 1. are limited to two per school.
 2. are the responsibility of and have the approval of the Principal.
 3. must be communicated to the RIIL by the Principal/Athletic Director prior to the event.
- E. The RIIL has a two-tiered system for media passes:
 1. Tier 1: Traditional Media Outlet representatives are provided with long-term media passes for the entire school year and are provided with sideline access at RIIL championships.
 2. Tier 2: Non-Traditional Media may be provided with a single game pass and a free general admission ticket to the game and are allowed to sit in spectator seating for the duration. There will be no sideline access at any time before, during, or after the contest until the team vacates the playing surface.

RHODE ISLAND INTERSCHOLASTIC LEAGUE MIDDLE SCHOOL 6-8

3. Media Passes and all sideline access will be approved, denied, or revoked at the discretion of the RIIL.
- F. Media Reminders:
1. All media photographers with the appropriate RIIL “Media Credentials’ will have access to the sidelines and permission to take photographs.
 2. Media cannot be located in any space or area where they may interfere with action in the playing/coaching/restricted area.
 3. Media journalists and photographers must stand clear of the awards presentation area and are asked to refrain from conducting post-game interviews until after the awards ceremony has been completed.
 4. **FAILURE TO ADHERE TO THESE GUIDELINES AND RESTRICTIONS WILL RESULT IN THE LOSS OF CREDENTIALS AND REMOVAL FROM THE FACILITY OR MEDIA AREA**

Article 12: SPORTSMANSHIP

Section 1: SPORTSMANSHIP

- A. The Rhode Island Interscholastic League Principal's Committee on Athletics has developed a common set of sportsmanship standards that can be implemented in every member school. Concerns with the behavior of student athletes and coaches on the field or court and the ever-increasing unsportsmanlike behavior of spectators, the committee believes it is essential that all member schools have sportsmanship standards and programs in place.
- B. Member schools are expected to conduct their relations with each other at all levels of competition in a spirit of good sportsmanship. Everyone involved has the obligation to see clearly his/her influence and act accordingly.
- C. The RIIL acknowledges that the school administration is responsible for the athletic program, including the making of broad and specific policies relating to sportsmanship and the conduct of activities in the school. The school principal has the responsibility for establishing the principles of good sportsmanship in the minds of the entire school community. He/she must realize that the kind of sportsmanship that is practiced or displayed by the representatives of his/her school will reflect to its credit or otherwise.
- D. The Rhode Island Interscholastic League has been vested with the responsibility to ensure that all contests during the regular season or regular tournament competition are conducted satisfactorily, as it applies to the principles of good sportsmanship. The RIIL will be guided by the following rule:
 - 1. **HIGH STANDARDS OF COURTESY, FAIR PLAY AND SPORTSMANSHIP MUST PREVAIL AT ALL REGULAR MEMBER SCHOOL COMPETITIONS AND ALL INVOLVED MUST ALWAYS PURSUE VICTORY WITH HONOR.**
 - 2. While this rule is a general standard in terms of enforcement, it is the heart of the entire RIIL program. Good sportsmanship, respect for the rules, respect for others, fair play, and ethics are basically the motives through which an interscholastic athletic program is justified and defended.
- E. *As a minimum, the RIIL Principals' Committee on Athletics expects member schools and leagues to have clearly defined and articulated standards of sportsmanship which are enforced at all levels of play. The standards should align with the standards which follow. The standards should be published in the student athlete/parent handbook and in other documents and publications provided by the school. Expectations for spectators should be posted at each contest site and announced when appropriate.*

Section 2: TAUNTING

- A. If you examine the standards of conduct required in high school athletics compared to the major college and professional levels, you will conclude that the older the athlete is, the more immature that person is allowed to behave.
- B. Routinely, middle school athletes will be penalized and ejected from contests for antics that are praised and emulated at higher levels. acceptance of disrespect in society. It is a social problem, and sports are a microcosm of that problem.

- D. The Principal's Committee on Athletics passed a recommendation of the Sportsmanship Committee to broaden the definition of "taunting" and make it a disqualifying foul in all sports. As a result, officials will be expected to eject players and bench personnel **(including coaches)** for taunting; and the Rhode Island Interscholastic League tournament supervisors will be expected to eject from the premises any spectator who engages in taunting.
- E. **The definition of taunting is this:**
1. **"Any actions or comments by coaches, players, or spectators which are intended to bait, anger, embarrass, ridicule, or demean others, whether or not the deeds or words are vulgar or racist. Included is conduct that berates, needles, intimidates or threatens based on race, gender, sexual orientation, ethnic origin, or background, and conduct that attacks religious beliefs, size, economic status, speech, family, special needs or personal matters."**
 2. Examples of taunting by coaches, players or spectators include:
 3. Any form of "Trash Talk"
 4. Ethnic or racial slurs
 5. Physical intimidation outside the spirit of the game
 6. References to sexual orientation
 7. "In the face" confrontation by one player to another
 8. Standing over or straddling a tackled or fallen player
 9. Noticeable improvement in school sportsmanship will require concerted effort.
 10. Good sports don't need to wait for other's actions. Good sports already know what is offensive, and what has no more place in school sports than it would have in a school classroom.
 11. This is educational athletics. We must maintain the highest education standards in all facets of the athletic arena.
- F. **OFFICIALS** who are assigned to Rhode Island Interscholastic League contests must enforce the rules regarding sportsmanship without tolerance for abuse. The only warning to participants and coaches regarding sportsmanship should come at the beginning of the contest. Once the contest begins, penalties, not warnings, must be assessed for unsportsmanlike conduct. The Rhode Island Interscholastic League expects that officials will eject any coach who protests an unsportsmanlike conduct call provided by the rules of the sport.
1. Each official at a Rhode Island Interscholastic League sponsored event will be provided with a card with the following statement which must be read to **All Team Members** at every contest prior to the beginning of the contest:
 2. ***"The National Federation of State High School Associations (NFHS) and your state association require officials to enforce sportsmanship rules. Middle school athletics emphasize positive values. All of us have worked hard to create a sense of teamwork, respect, responsibility and perspective. We remind you that we expect good behavior and will quickly penalize misconduct. We encourage and appreciate your help. Let this competition reflect mutual respect among all participants, coaches and officials. Coaches, please certify that your players are legally equipped and uniformed according to the NFHS rules. Good luck and have a great contest!"***

Section 3: MEMBER SCHOOLS

- A. The following expectations are designed to serve as a guide for member schools and leagues in developing their sportsmanship standards and to define responsibilities.
1. **School Administration:** The PCOA recognizes that the principal is the final authority responsible for all athletic activity of his/her school at all levels of competition. The administration must take a leadership role in developing standards for their school and league and in articulating those standards to their entire school community.
 - a. The PCOA expects all member schools and leagues (whether one sport or multi-sport) to develop, approve, and implement a league-wide code of sportsmanship for athletes, coaches, cheerleaders, and spectators. The code should be based upon and consistent with the standards of sportsmanship developed by the RIIL (see RIIL Sportsmanship Manual for samples).
 - b. All member schools, as a minimum, adopt their league's sportsmanship code as the school's sportsmanship code. Member schools are encouraged to expand the basic league sportsmanship code to further meet their needs.
 - c. League and school sportsmanship codes specifically and directly state the requirement for all athletes, coaches, cheerleaders, and spectators as well as the acceptable conduct to which each will be held.

 - l. Schools will conduct a pre-season meeting with student athletes, coaches and parents to review the athletic standards for sportsmanship for the school and league.
 - i. Member schools require athletes, parents/guardians, sign an acknowledgment which would show that they have read the student-athlete handbook and understand the sportsmanship code, rules of the school and team and RIIL eligibility requirements.
